Description

This Volkswagen T-Roc is in **excellent condition**, well looked after and a fantastic all-rounder for Namibian road conditions.

While being spacious and driven by a powerful 1.4 turbo petrol engine, it not only comes with good fuel efficiency and high levels of comfort, but most importantly, it comes with the proven reliability and wide-spread support of Volkswagen — an important facet that we as Namibians expect from our vehicles.

The car has a **full service record** (Zimmermann Garage) and has been driven responsibly, mostly in and around Windhoek.
